

Student Technician I

Eligibility

Currently enrolled in an accredited nursing program, and has successfully completed a Nursing Fundamentals Course

Transcript or letter from college may be requested prior to employment.

Orientation

The Student Technician I will receive a two (2) week centralized orientation which will include:

- Organizational orientation
 - Benefits
 - POCT testing
- FIT testing
- Clinical Services orientation
- Computer training
- Clinical Documentation training
- HIPAA / Compliance
- MUSC Excellence
- Mosby's Nursing Assistant online modules (Must successfully complete with 80% pass rate within two (2) attempts)
- Skills Lab
- BLS (successful completion of BLS is required within two (2) weeks of hire)

Each Student Technician I will then receive a unit specific orientation with an assigned preceptor. The competency based orientation for the Patient Care Technician should be completed within two (2) months of hire date. Every effort will be made to accommodate nursing school schedules while completing centralized orientation.
