DORGER RECORDING SECRETARY: S. MOULTRIE LOCATION: 420J, CSB		
AGENDA ITEM	DISCUSSION/CONCLUSIONS	RECOMMENDATION/ACTIONS WHAT/WHEN	WHO	STATUS REVIEW
Cardinal Clipper and Blade	Committee was informed that the OR would like to bring in the Cardinal Clipper and would replace the current 3M clippers. The Cardinal clipper has blades that will accommodate head body and head shavings.	Committee agreed to trial clippers in the STICU, PICU and Heart and Vascular Center. Results will be given to the committee after the areas evaluate the clippers.	M. Santanna	Open
Custom IV Set	Custom IV set will be presented to the committee in the August meeting.	Checking with Baxter and Cardinal for pricing	K.Jorgenson	Open
Sterile Skin Marker	Committee was informed of available skin marker that could save the hospital money. The sterile package contains labels, marking pen and tape measure. The package is priced at \$0.56 and would give the hospital a savings of \$0.42.	Committee agreed to see what other markers are available before making a decision. Committee relayed that this package has been used in the past and staff didn't like the brand.	M. Dorger	Open
Prefilled Sterile Syringe	Committee was informed that needles come through Cardinal and would like to put the syringe in Pxyis and make it a patient chargeable item.	Committee agreed the product was beneficial and that it should be brought in.	J. Minick Mary Polly	Closed

Next Products Evaluation Committee Meeting is scheduled for August 2, in Room 601 CSB
